EVENT EXPERIENCE

Cirque is the embodiment of elegance, class, and beauty, rather than the customary red and white striped tent enclosing a parade of clowns, animals, and acrobats. Décor for this event will consist of bright colors and elegant table settings with artful, exciting centerpieces that will be a key focal point of the night.

INVITATION IDEAS

For your invite we will use bright vibrant colors (not primary colors) that encapsulate the following:

- Photo of your choice
- A small envelope with the invite inside
- Bright suns, cirque performers on the front, based in a black background
- Gold scrolls, frames, and feathers could add to your invitation

Remember the circus with elephants, jugglers, and clowns? Well, this is NOT your everyday circus. Cirque combines theater and intrigue along with the most amazing performers in the world. Las Vegas has brought the Cirque theme to a whole new level and now that theatrical experience can WOW your guests.

SETTING THE MOOD

COLORS & TEXTURES

This event calls for bright, dramatic colors in the neon: oranges, hot pinks, purples, reds, blues, and greens. Scrolls and gold frames work for this theme as well.

ENTRYWAY

As guests arrive, they will be greeted by a red carpet entryway. Oversized balloons can float in the air. The size alone will create the wonderment of Cirque. Large bouquets of balloons, will add to the 'over the top' ideas of the Cirque.

PRE-FUNCTION AREA

We will start the fantasy of cirque with entertainers like jugglers dressed in cirque costumes, unicycle riders, stilt walkers, and mimes to amuse your

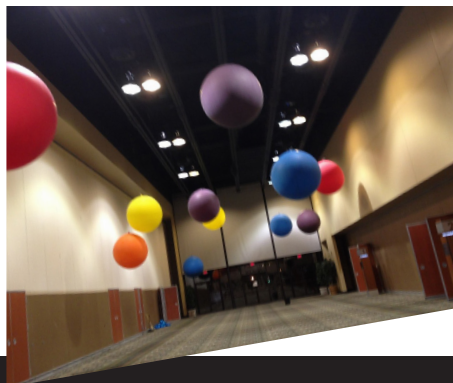

guests. The Cirque is a combination of French circus and Canadian circus. Wild painted faces will help to carry this theme throughout the event.

MAIN ROOM

If the ceiling allows, it will be draped with a tent type ceiling treatment in pinks, purples, yellows, teals and golds. Large balloons will drop throughout the ceiling for an added element of dimension. Upside down umbrellas in the colors of the event with tassels along the edges or black and white will excite and delight guests.

STAGE AREA

A 20ft x 40ft backdrop with the Cirque theme will be used. Alongside the backdrop white chiffon and teal or hot pink up lighting will complete the look.

DETAILS AND ACCENTS

Custom cutout cirque performers will be placed around the sides and the front of the podium.

DECOR

The décor for this event will be out of this world and a bit on the mysterious and dark side. Think of what might happen in your dreams. We'll use table linens that are black and white striped, pinks, teals and purples. Gold is another color that lends itself well to this theme.

FURNITURE ACCENTS

For furniture elements, we will look to the purples for couches and odd shapes. Circles and S shaped seating arrangements would be perfect for this theme. If you aren't having a sit down dinner, consider creating seating areas around the room and ask your entertainers to stop during the evening in

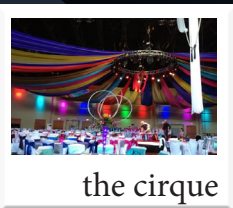

each of these areas for a bit, thrilling your guests. Add inflatable 'shells' for guests to retreat to private areas for conversations amongst themselves.

CENTERPIECES

There are a variety of centerpiece ideas that can be used to spotlight the Cirque theme. To carry out the mysterious and dark cirque impression, we will use different centerpieces throughout the tables. Below are some fun ideas:

- Hula hoops with flowers at the base
- Brightly colored neon items placed on the table for simple lighting
- Neon centerpieces
- Nebulas or odd shaped centerpieces for the table lit from beneath

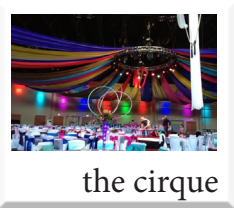

DINNER SET UP

Tables will be brightly decorated with over-the-top fantasy colors. We will use neon table linens or black spandex with a stretch cover that has cutouts. Chairs will be wrapped in black spandex with brightly colored bands.

BAR AND CUSTOM DRINK

Bright colored lighted ice cubes will be dropped into drinks or martini glasses that light up.

- Have photographers standing by to take guests photos with performer
- Deliver photos on site as guests are leaving for the night
- Have photos delivered by a cirque clown during dinner
